

# Greater Than

From Sunday, February 7

## **CONTINUING THE CONVERSATION**

- Step outside one clear, starry night. Look up at the sky. Feel small. Know Christ placed all those stars, knows them by name. And knows you by name and by heart. He is GREATER THAN – and that is good!
- What is one big, overwhelming matter or feeling in your own life? Read the passage for today. Trust Christ to be greater than that big overwhelming matter. Ask Him to hold you with His GREATER THAN love, especially when the circumstance isn't changing.
- Name an overwhelming situation outside yourself that stirs in your heart and mind. Where might Christ be calling you to serve Him, and bring hope and the face of Jesus Christ there, because He is GREATER THAN.
- Consider the truth that in Christ, you stand holy and blameless before Christ. He is GREATER THAN your sin and struggle. Give thanks.
- Choose a hymn or song that lifts your thoughts to the GREATER THAN power and presence of Christ. Listen to it every day. Copy the lyrics and read or sing along. Let the truth sink into your soul!
