

TO CONTINUE THE CONVERSATION – DEVOTED PRAYER

1. How might you devote yourself to prayer this week, this month?
2. When might you “add” or “begin” praying as a holy habit?
3. Reflect on the PRAY guide to prayer. Which letter is your most natural prayer language? Which one might you need to explore further?
4. Reflect on the ways God answers prayer:

Sometimes God says Go.

Sometimes God says no.

Sometimes God says slow.

Sometimes God says grow.

All the time God says “I know. Trust Me.”

What is your story about each of these? How has God answered prayer for you that has changed and shaped you?
